Dear Joshua,

I enclose copy of my reply to Lin Moses. I would be happy to take this chance to see you again. My letter will probably reach you while in Japan: I hope you will have a very pleasant journey there.

Thank you ~~for~~ your offer to help with journey expenses. I will probably be able to obtain the required difference from Interist and still leave enough money, should you want to pay us a visit in 1962.

I have received Esther's letter and the stamps; thank her please, on my behalf, and have a good trip.

Yours

Luca
